

#HBOvote: The European Elections Festival

These are some of the workshops to choose from:

1	WORKSHOP FOCUS GROUP	This workshop will include conversations with students around the EU elections to understand the different perspectives among students.
2	A DAY IN THE LIFE OF A EU PARLIAMENT MEMBER	In this workshop we will take a peek at what a day in the life of a European Parliament member is like. The EU parliament member in question (who is also joining us for the workshop) is none other than Dorien Rookmaker. At the end of the video is a very important question asked by Ms. Rookmaker, which we will discuss and try to answer in the workshop. If there is time left, questions can be asked to Ms. Rookmaker about her life as a European Parliament member.
3	EURO JEOPARDY	Do you like game shows? Then this workshop is for you! Based on the game show Jeopardy, we host a special EU edition. There are 5 categories with each 5 questions. The winning team will go home with a small price.
4	THE EU'S CHALLENGING NEIGHBORHOOD	<p>The European Union and the continent are dealing with serious tensions and conflict. But how exactly does the European Union deal with this situation?</p> <p>What is condemnation and Union interests? Who decides and who debates?</p> <p>This workshop presents the instrument that the EU uses for its external affairs.</p>
5	GROEN ALS BAS	<p>Bas Eickhout is the European leader of GroenLinks-PvdA. Bas himself studied chemistry and environmental science in Nijmegen and he was president of the study association for chemistry. After his studies, he worked as a climate scientist and contributed to the report of the IPCC, the United Nations' global climate panel. Meanwhile, he has been an MEP for many years and has had many successes there as a climate negotiator.</p> <p>Want to know what Europe is doing on climate policy and what more is needed in the coming years? Bas Eickhout, the green conscience of Europe, is happy to tell you more about it in quick course climate in Europe.</p>

6	TOUR OF BRUSSELS	This interactive mini-lecture with deep dive in the European institutions located in Brussels. We call it: 'Tour of Brussels'.
7	CAMPAIGNING FOR THE EUROPEAN ELECTIONS	In this workshop you will find out how campaigning is done in practice by candidate MEPs. You will also get to make your own campaign poster.
8	LIFE AFTER ELECTIONS: PAINT WORKSHOP	This workshop focuses on potential outcomes if a certain party wins elections. Participants explore knowledge of European Parliament and personal beliefs. Presented with legislative proposals from attending MEPs parties. Participants imagine life with these proposals and paint their visions.
9	#YOURVOTE #YOUREUROPE	Curious about the power of your voice in Europe? Find out during our interactive workshop #YourVoice #YourEurope! Step into the world of European politics as we take you through the different political groups of the European Parliament and their beliefs. After an introduction to the different political groups, it's your turn to choose. The workshop is an eye-opener to the impact young people can have on European politics. Your voice is the key to change, let's discover together how!
10	YOUTH PARTICIPATION	Discover the fascinating world of the European Union during our interactive workshop: 'Test your knowledge about the EU'. Step in and take a seat for an inspiring journey through European politics, led by a motivated candidate MEP. Learn about the influential role of the EU, its tasks and activities, and discover how your voice can make a difference on June 6. With a mix of engaging presentations, a challenging Kahoot quiz and open discussions, we hope to broaden your interest in European Politics. Join us on June 6 and make your voice heard for a stronger Europe!
